Fish Camp Experience
You will arrive at Texas A&M University the day of your session and will be transported to and from Lakeview by Fish Camp.

During these four days you will be placed into a camp led by 2 chairpersons and 24 counselors who are all current students at Texas A&M University. Each camp is named after an individual who has impacted the University and is given one of the eight Fish Camp colors. Within your camp, you will then be separated into smaller discussion groups, or DGs, led by 2 of the 24 counselors. The DG will provide you with a support system that will last through your entire college career.

Fish Camp welcomes you into the Aggie Network by providing a dedicated and compassionate group of individuals who share the resources associated with the university. Our goal is to serve the Class of 2019 and ease your transition into college.
