"After Fish Camp, my entire camp stayed connected. I am also very informed about A&M's many amazing traditions."

**- Aggie, Class of 2020**

"All of the presentations that I attended gave me more information about the university and I was able to develop friendships within my DG and with others in my camp."

**- Aggie, Class of 2020**

"As a first generation Aggie, there were so many traditions I was unaware of that I learned about through Fish Camp. It was also wonderful to get to meet so many people that I see around campus from time to time and find true friends in counselors and DG/cabin members."

**- Aggie, Class of 2020**

"Being in a DG really helped because I got to talk one-on-one with current TAMU students (my DG parents) and hear their likes and dislikes about college, as well as tips and other things. I also made friends on the bus on the way to camp as well as during free time."

"At the end of Fish Camp, I felt like I was a part of the university."

### ADA STATEMENT

Although Fish Camp is held at an off-site location, we are able to accommodate most needs. If you believe you need any special accommodations, please contact us at [fishcamphelp@fishcamp.tamu.edu](mailto:fishcamphelp@fishcamp.tamu.edu) to confidentially discuss possible accommodations.

## Fish Camp Experience

Fish Camp will begin on Texas A&M's campus where transportation will be provided to and from camp.

During these four days you will be placed into a camp led by 2 chairpersons and 24 counselors who are all current students at Texas A&M University. Each camp

is named after an individual who has impacted the University and is given one of the eight Fish Camp colors. Within your camp, you will then be separated into smaller discussion groups, or DGs, led by 2 of the 24 counselors. The DG can provide you with a support system that will last through your entire college career.

Fish Camp welcomes you into the Aggie Network by providing a dedicated and compassionate group of individuals who share the resources associated with the university. Our goal to serve the Class of 2021 and ease your transition into college.

### Vision:

An Aggie Family supporting all freshmen.
